## Women's Communities Are Vital to Their Vocational Discernment

Much of the more modern United Methodist history contains a plethora of gatherings of women who have networked and supported one another in efforts to take their ministry into the world.

## Women Called to Ministry

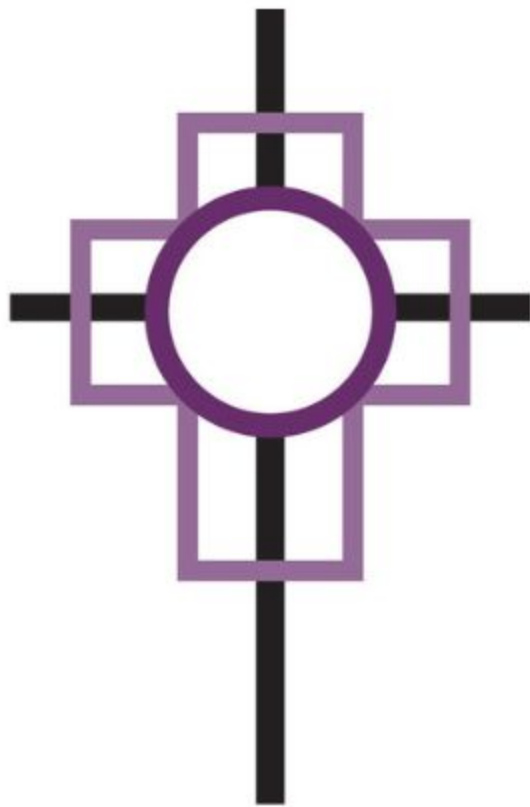

This six-session study, designed for local churches, explores our understanding of women's roles in The United Methodist Church. It is available in multiple languages spoken across our connection

## Episcopal Discernment Questionnaire

GCSRW is developing a resource for episcopal discerning committees at a jurisdictional level and we need your help. Please answer the questions to help guide our work to advocate for women in leadership.
