

SPECIAL
SUNDAY

UNITED METHODIST STUDENT DAY OFFERING TALK

Today we are receiving a special offering for United Methodist Student Day. One of six denominational Special Sundays, Student Day celebrates young adults and gives them a financial and spiritual boost.

Student Day scholarship recipient Ben Rohn has always been involved with The United Methodist Church. As the child of a pastor, he attended several United Methodist churches growing up. While it was

challenging to uproot his life and move to a new town, he found a sense of extended family through the nourishment of people in the church who cared for him and wanted him to succeed.

His church was committed to helping him identify financial resources to attain his educational goals. One of those resources was a scholarship through the General Board of Higher Education and Ministry.

Ben has experienced the good that The United Methodist Church has done for him and for the greater community. This offering ensures that young members of our denomination have the resources needed to open the eyes of their heart and discern where God is leading them.

Gifts to the United Methodist Student Day offering are building hope, empowering futures and shaping tomorrow. Please give generously.

OFFERING PRAYER

Loving and almighty God, with hearts full of gratitude and hope, we lift up the students who receive encouragement through United Methodist Student Day. Thank you for their dedication, hard work and the bright futures that lie ahead of them. Strengthen their faith and perseverance in their educational journeys. Give them a spirit of wisdom and revelation so they may know you better. Bless these gifts to be transformed into educational opportunities that bring blessings to their lives and the world. Amen.
