OUR REACH IS BEYOND MEASURE

WHAT ARE CONFERENCE SUNDAYS?

When we contribute to conference offerings, we directly impact lives in our communities. Our support extends to various aspects such as Christian education, health and welfare ministries, local and rural outreach, ensuring full inclusion of individuals with disabilities, and enabling volunteers in mission. The dates for these Special Sundays are determined by each Conference.

**WHAT IS GOLDEN CROSS
SPECIAL SUNDAY?**

In every United Methodist Conference, health and welfare ministries bring hope and healing to those in need, supporting older adults, children, families, and providing hospital pastoral care. The Golden Cross Sunday offering is essential to sustaining these vital services, allowing United Methodists to extend compassionate care during times of emotional stress and financial hardship. On Golden Cross Sunday, United Methodists have the opportunity to show their care and concern by generously supporting these important ministries.
