AWARENESS SUNDAY

**TOGETHER**

OUR REACH IS BEYOND MEASURE

**WHAT ARE CONFERENCE SUNDAYS?**

When we contribute to conference offerings, we directly impact lives in our communities. Our support extends to various aspects such as Christian education, health and welfare ministries, local and rural outreach, ensuring full inclusion of individuals with disabilities, and enabling volunteers in mission. The dates for these Special Sundays are determined by each Conference.

**WHAT IS VOLUNTEERS IN MISSION  
AWARENESS SPECIAL SUNDAY?**

United Methodist Volunteers in Mission equips volunteers to put Christian love into action around the world. This mission emphasizes the importance of active faith through training, accountability, and celebrating our shared journey. Each year, over 125,000 volunteers contribute their time and talents to aid the less fortunate, construct churches and mission structures, support disaster recovery, enhance community health, and mentor local leaders. On Volunteers in Mission Awareness Sunday, we honor those participating in short-term missions worldwide.
