WHAT ARE AWARENESS SUNDAYS?

Celebrations bring joy, reflection, and connection, both in our personal lives and within our church community. They remind us of our blessings and the faith that unites us. United Methodists observe five special Sundays, without a collection, to highlight ministries that enrich our spiritual journey and strengthen our bonds.

SUNDAY
TOGETHER
OUR REACH IS BEYOND MEASURE

Awareness Sundays affirm
our shared values and deepen
our gratitude for each other

**WHAT IS HERITAGE AWARENESS
SPECIAL SUNDAY?**

Heritage Sunday invites us to reflect on our heritage and the importance of Christian conferencing. United Methodists observe Heritage Sunday on Aldersgate Day (May 24th) or the preceding Sunday, marking the moment John Wesley felt a deep assurance of salvation on Aldersgate Street in London. This day reminds us of the foundational principles and spiritual journey that have shaped Methodism over the centuries, offering congregations a chance to reconnect with their roots, honor past leaders, and renew their commitment to God's work.
