OUR REACH IS BEYOND MEASURE

WHAT ARE AWARENESS SUNDAYS?

Celebrations bring joy, reflection, and connection, both in our personal lives and within our church community. They remind us of our blessings and the faith that unites us. United Methodists observe five special Sundays, without a collection, to highlight ministries that enrich our spiritual journey and strengthen our bonds.

OUR REACH IS BEYOND MEASURE

Awareness Sundays affirm
our shared values and deepen
our gratitude for each other

**WHAT IS MEN'S MINISTRY
AWARENESS SPECIAL SUNDAY?**

How does your congregation connect with men in your church and community? Is it mainly through an organized United Methodist Men's group, or does it also involve participation in men's Emmaus communities, work teams, prayer groups, Bible studies, study and enrichment opportunities, and Scouting Ministries? On Men's Ministry Sunday, United Methodists honor men's ministry both within and beyond the local church. On this special occasion, we actively encourage and invite men to come together for fellowship, nurture, spiritual growth, witness, and outreach.

Open Hearts, Open Minds, Open Doors.
