OUR REACH IS BEYOND MEASURE

WHAT ARE AWARENESS SUNDAYS?

Celebrations bring joy, reflection, and connection, both in our personal lives and within our church community. They remind us of our blessings and the faith that unites us. United Methodists observe five special Sundays, without a collection, to highlight ministries that enrich our spiritual journey and strengthen our bonds.

OUR REACH IS BEYOND MEASURE

Awareness Sundays affirm
our shared values and deepen
our gratitude for each other

**WHAT IS WOMEN'S MINISTRY
AWARENESS SPECIAL SUNDAY?**

How does your congregation engage with the women in your church and community? Is it primarily through a United Women in Faith group, or does it also include participation in Emmaus communities, work teams, prayer groups, Bible studies, study and enrichment opportunities, or Mothers of Preschoolers groups? On Women's Ministry Sunday, we honor the ministries, history, and contributions of women within and beyond the local church. Women's ministry thrives whenever United Methodist women come together for fellowship, nurture, spiritual growth, witness, and outreach.

Open Hearts, Open Minds, Open Doors.
