Suggested email subject line: This season, see the difference faith can make

As the world searches for compassion and healing, Christ calls us to see the needs of others through eyes of faith and to respond with acts of love. This holiday season, instead of giving gifts that may be forgotten, why not offer something lasting—hope and transformation through mission around the world?

That's why (CHURCH NAME) is joining the Global Ministries End-of-Year Campaign from November 1 to December 31. By giving to this campaign, we can help those in need here at home, across the state, and around the world.

Here's how you can participate:

- Pray faithfully for those impacted by our mission work.
- Share our message on social media to spread awareness.
- Give generously, knowing that your donations will fund life-changing projects.

Throughout this campaign, (CHURCH NAME) will share stories of the incredible work happening through the missional efforts of Global Ministries and The United Methodist Committee on Relief (UMCOR). These efforts provide disaster relief, support health initiatives, nurture faith communities, and send missionaries all over the world.

Stay tuned for updates via our announcements, social media, and e-newsletters. This is a powerful time to come together and make a lasting difference by giving a gift that truly matters—hope and healing to those who need it most.

Together, we can see through eyes of faith and act through hands of love. Let's make a lasting impact!
